EMIRATES INVESTMENT BANK

NEW WORKING WEEK

Dear Valued Client,

The UAE Government's decision to align the working week and weekend to international markets is an important change which we believe will have a positive impact on the economy, our people, customers and business.

Emirates Investment Bank will align to that change and adopt a Monday to Friday working week, with the weekend designated as Saturday and Sunday, with effect from Monday, 3 January 2022.

You can contact your Relationship Manager for any queries about the impact of the new working week on your banking requirements.

Yours sincerely,

Emirates Investment Bank pjsc
